

SPARTAN NATION

2010

Spartan Nation is the **parent volunteer group** (Booster Club) for Sumner High School's Football Team. We support the players and coaches by being involved in the many activities throughout the season. **Many volunteers are needed**, so **PLEASE** sign up and support your athlete and the SHS Football team!

Car Wash(s) Our annual team car wash(s) have been a lot of fun and huge successes. Even though the players are washing the cars, parents are needed to help with traffic control, monitor quality assurance and taking tickets/money.

2010 Chairperson: Angel Emerson (*looking for someone to learn the ropes for next season*)

Program The program serves a dual purpose. It is a fundraiser and a wonderful keepsake for the players and their families. Advertisements are solicited by players families from local businesses, family members and friends.

Help is needed in the following areas

- Selling advertisements (everyone should be doing this)
- Contacting existing advertisers for their ad renewal
- Selling program at all Varsity home games (9th grade & JV parents) pre-game through the first quarter.

2010 Chairperson(s): Hugh Brennan, Photographer
Ed Berg, Design & Layout
Josie Berg, Advertisement Coordinator (*looking for immediate assistance*)

Food Card This is a very fast and successful fundraiser for the team. The Blitz is a one night event where the players hit the streets selling the cards to the community. Your athlete will have the opportunity to pre-sell cards to family and friends. Each player is expected to sell a minimum of 10 cards. Parents are needed to help drive players to locations around the community on Blitz night.

Merchandise More to serve our families than to really be a fundraiser, we sell Spartan Football apparel during all home Varsity football games. Parents are needed to help sell (pre-game through half-time).

Team Dinners This event requires the help of the entire Spartan Nation. We (the families) provide dinner for the entire team and coaching staff the night before each Varsity game. The players, coaches and parents really look forward to this event each week.

Each week an email is sent out requesting items for the next team dinner. All you need to do is respond and let us know how you're able to help whether it's bringing a food item or coming in to help serve.

We completely understand that not everyone can help all the time. Your help is welcome any time it works best for you. If you find it impossible to contribute the next best way you can help is by making a **\$25 donation** to help cover the cost of your athlete's dinners for the season. Checks can be payable to Spartan Boosters and turned into the team dinner chairperson.

WANTED: In the past we've had some of our families sponsor a dinner. They have either prepared the entire dinner themselves or made arrangements for catering. This is a very welcome treat to the team and a nice break for the parents that cook each week. If this is something your family would like to do, please be sure to let us know as soon as possible so we can get it on the schedule.

Dad's BBQ

A great way to spend an afternoon; spending time with your athlete, watch some football and enjoying a great BBQ! Dad's, Grandpa's, Uncle's or any significant male figure in a players life is invited to attend.

2010 Chairperson: **Position is OPEN** Because this event is for the "men", we need a man to step up and take this one on -or- this event will not happen.

Homecoming Parade

Each year the football team leads the parade down Main Street during the annual Homecoming Parade. Help is needed to make arrangements for the "float" and its decorations along with the clean up immediately following the parade.

2010 Chairperson: Shannon Haavik

Web Site

We are extremely fortunate to have not only the best looking high school football web site out there but we also have a very dedicated and talented individual keeping it up to date and making improvements to it constantly. Unfortunately, all good things come to an end. This is our web master's final season and he is looking for an experienced individual willing to learn the ropes and take over the web site in the 2011 season.

Awards Night

Each season we end with our final hurrah! An individual is needed to plan and organize this event.
